

HOW BOARDS SHOULD OVERSEE ETHICS?

Please join us for a discussion with the local ethics and compliance community on how boards can effectively oversee ethics, risk and compliance, drawing on real-world data and practical experience.

Tuesday, 24 February 2026

5:00–5:30 p.m. | Welcome drinks

5:30–6:30 p.m. | Discussion

6:30 p.m. onward | Cocktails, canapés, and networking

The discussion will open with insights from **Vera Cherepanova, Executive Director of Boards of the Future**, based on her forthcoming guide on board-level ethics oversight, followed by a roundtable on how directors engage with ethics, risk and compliance topics and how these issues resonate in boardroom discussions.

**Final programme and speakers to be announced shortly.
Attendance is limited.**

We look forward to welcoming you at 5:00 p.m. for the discussion, with networking to follow.
